

Salina Community and Health Resource Fair

October or November 2022

OVERVIEW

The City of Salina is becoming a growing and diverse town in Kansas. According to the latest census data (2021), the population of Salina is 46,481. The racial makeup of Salina is the following: 86.1% White, 12.5% Hispanic, 5.8% Two or more races, 0.0% Native Hawaiian, 2.3% Asian, 0.3% American Indian and Alaskan Native, and 3.3% Black or African American. With the collaboration of local community entities, together we will celebrate the strength of diversity, create a sense of community and camaraderie. A city-wide community event will have a high positive impact on the community.

GOALS

1. Create an opportunity for citizens of Salina, Kansas to establish knowledge about the resources available for the community as well as obtain necessary health resources.
